

Philips Sonicare EasyClean

EasyClean combines Sonicare's patented sonic technology and the unique ProResults brush head to remove up to two times more plaque than a manual toothbrush.¹ And with one-mode simplicity and a slim handle for comfort and maneuverability, it's an easy transition from your manual toothbrush to the power of Sonicare.

Patented Sonic Technology

Dynamic cleaning action drives fluid between teeth and along gumline.

ProResults Brush Heads

Broad sweeping motion and contour-fit bristles provide outstanding plaque removal.

Easy-Start

Easy-Start feature gently increases power over the first 14 uses to ease you into the Sonicare brushing experience.

Snap-on Brush Head

Easy brush head placement and handle cleaning.

Smartimer

Two-minute timer helps ensure dental professional recommended brushing time.

Recharge Indicator

Light blinks when battery needs recharging.

Quadpacer

30-second interval timer encourages thorough brushing of each quadrant of your mouth.

Warranty

Two-year warranty from Philips.
