

ADA'S STUDIO

DG103

Brief Introduction

Tips of glue (The picture is for reference only.)

1. White glue is used for small wooden pieces. (Around 3 minutes to dry.)
2. Silicone liquid glue is used for big wooden parts and other materials.
3. Use appropriate glue to keep the material clean.

Tips of fabric

1. Cut the fabric according to the instruction.

E.g.

Tips of LED

1. Pay attention to the positive & negative electrode of cell.
Yellow wire: positive.
White wire: negative.
2. In cell box:
Red wire: positive.
Black wire: negative.
3. Test the LED after combination.

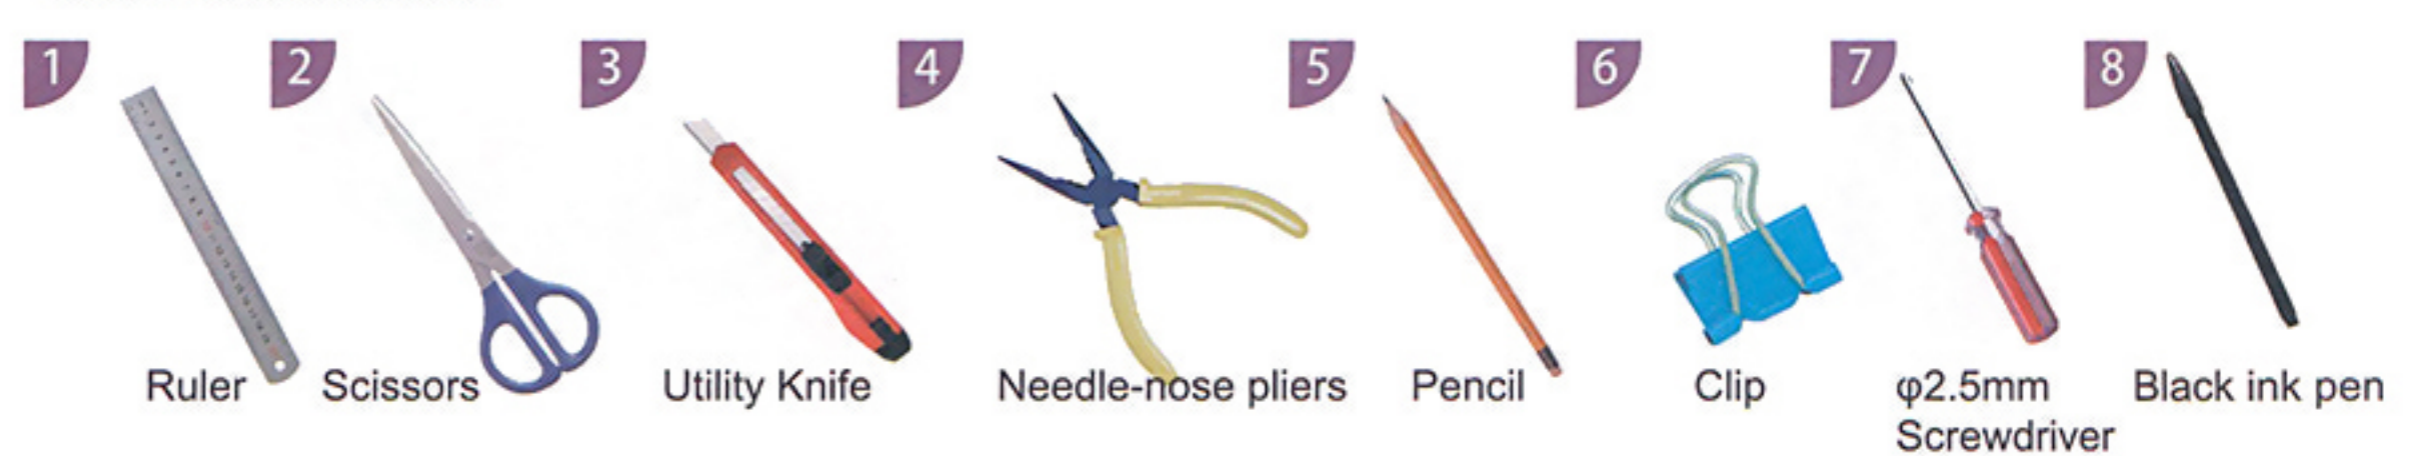

Warning

1. Children must use under the guidance of adults.
2. Put the remains back in the original bags after each step completed. (In case of missing).

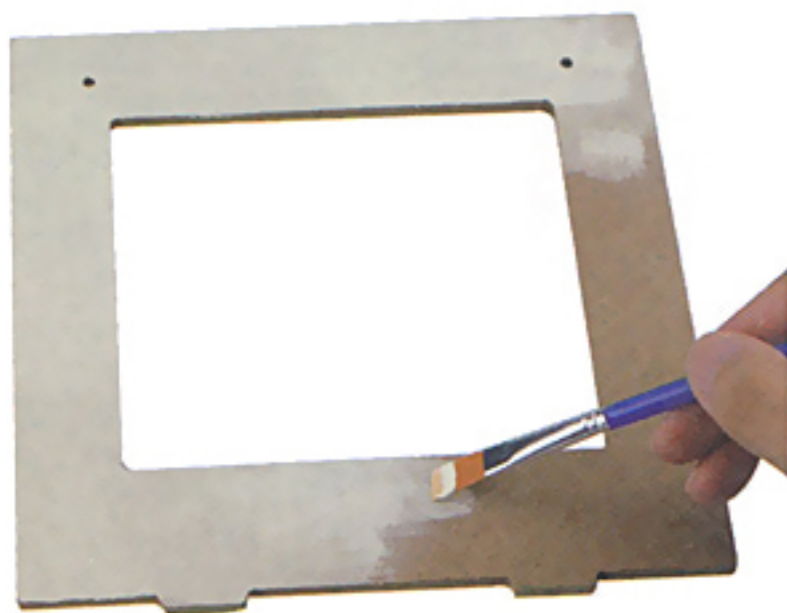

Tools included

Tools excluded

Insert step 5 into (B6) as shown, do it as shown.

9

complete.

Big table

List

- Wooden pieces 5pcs

1

Paste as shown.

2

Paste as shown.

Long cabinet

List

- Wooden pieces 7 pcs
- paper D1

1

Paste as shown.

2

Paste as shown. (Protrude B15 slightly)

3

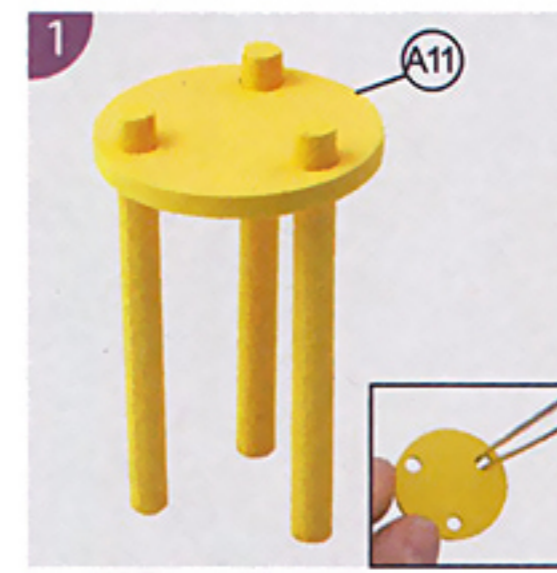

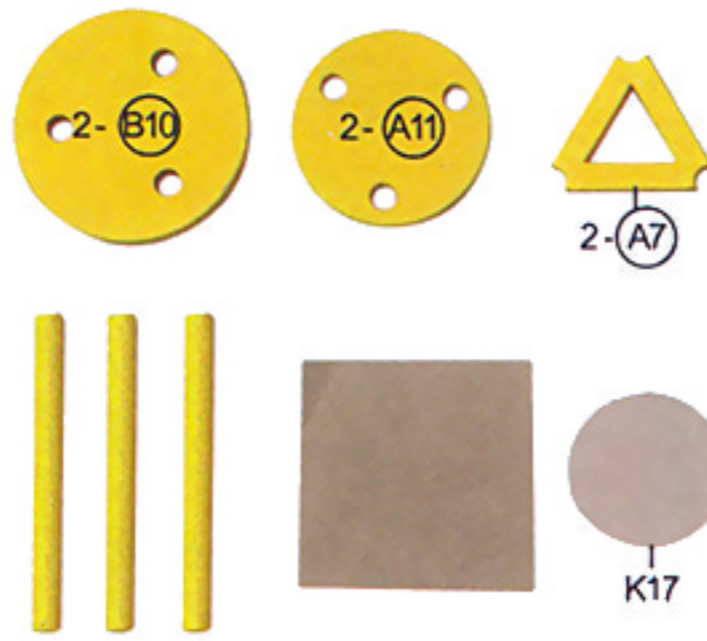

paste (D1) as shown.

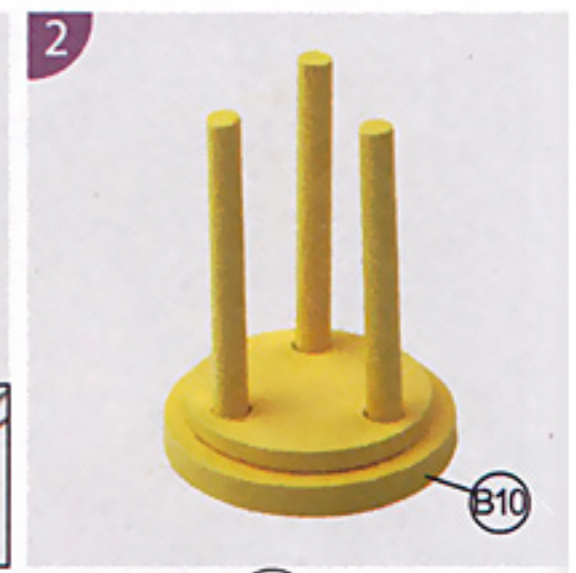

Small Stool

List

- ① Wooden pieces 3 pcs
- ② \varnothing 3mm, L33mm column 3 (Bag No.5)
- ③ Fabric 30*30mm (as shown) (Bag No.4)
- ④ Paper K17

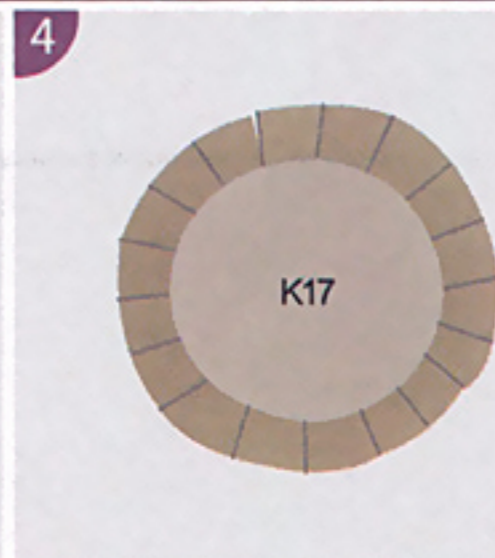

Assemble as shown.

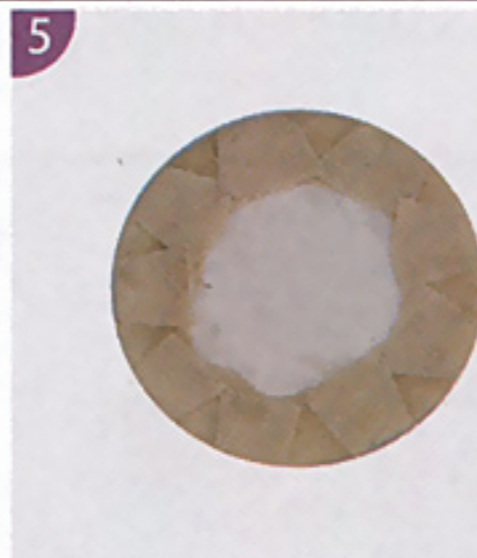

Paste B10 with A11.

Assemble A7.

Cut K17 as shown.

Paste as shown.

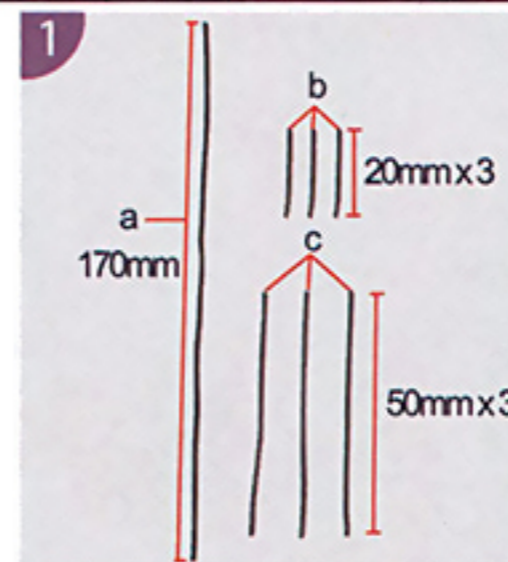

Complete.

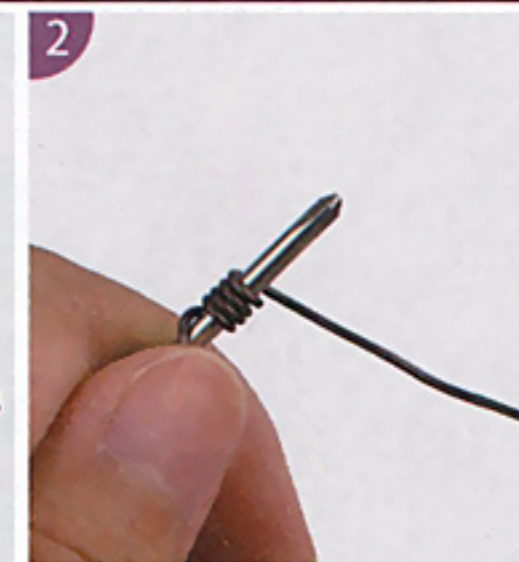

Small Table

List

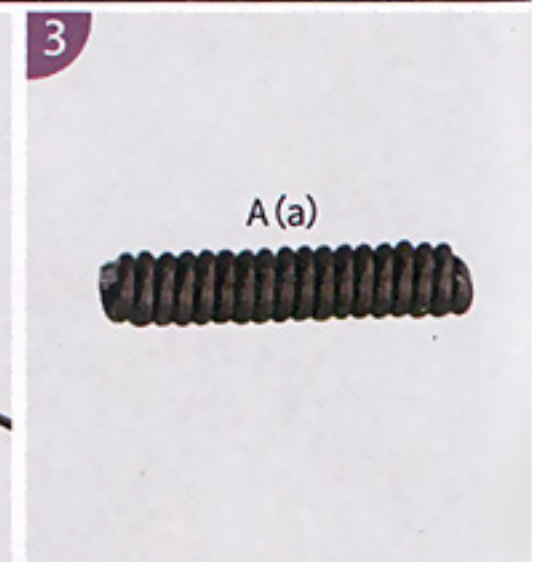

- ① Wooden pieces 1 pcs
- ② Brown thin wire L380mm (Bag No.4)

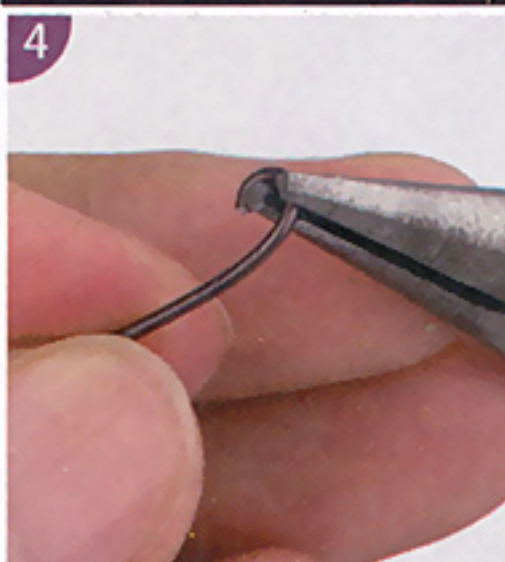

Cut brown wire as shown.

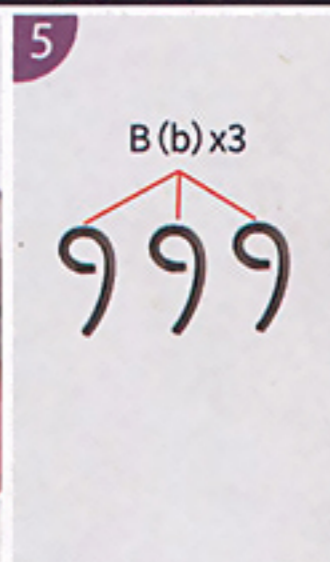

Bend 'a' as shown with screwdriver.

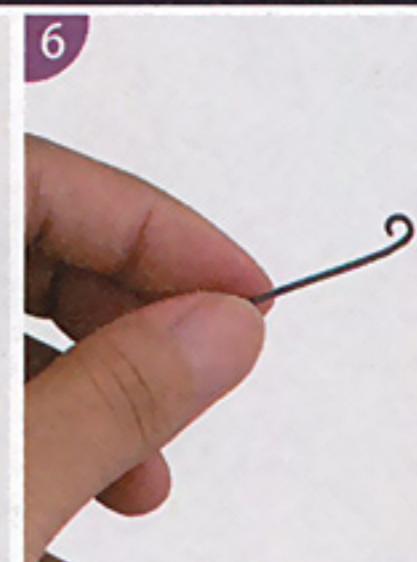

Cut the ends well.

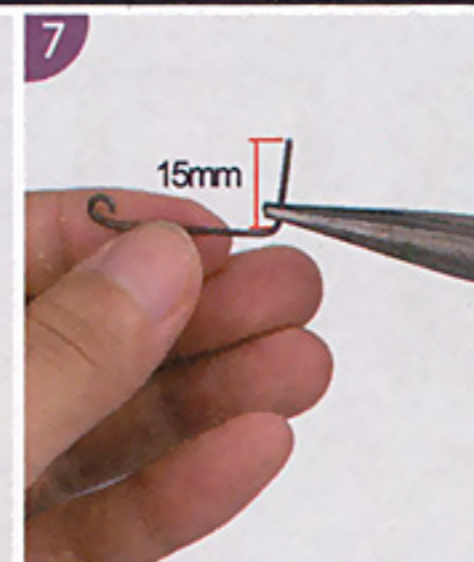

Bend "b" as shown.

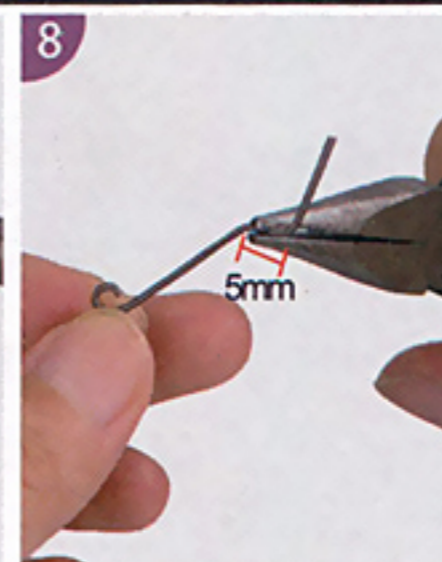

Three B in total.

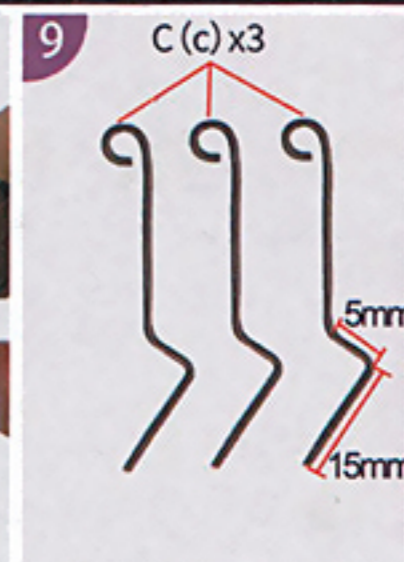

Bend "c" as shown in the same way.

Bend another side of "c" as shown.

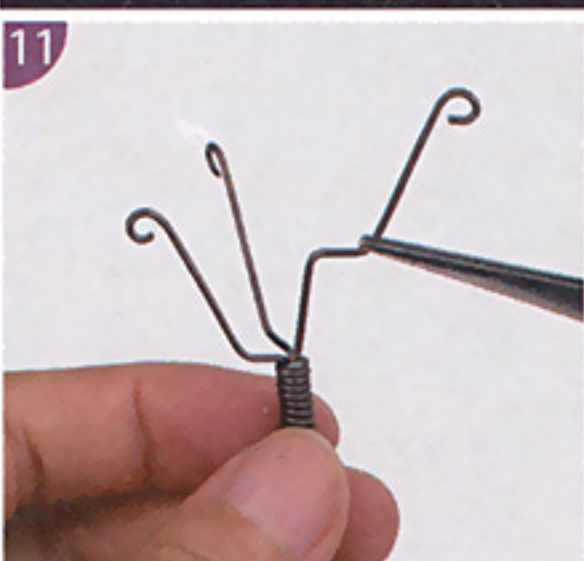

Bend as shown.

Three C in total.

Glue at one end of "A".

Insert C into the glued end of "A".

Glue at the other end of "A", insert B into it.

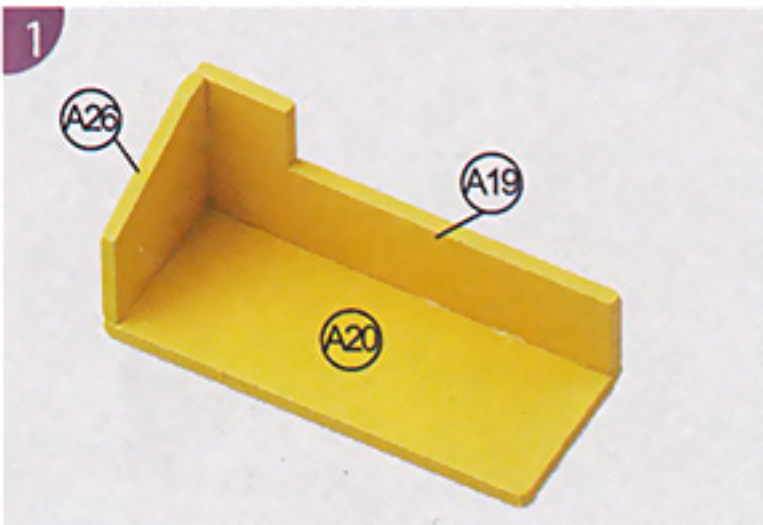

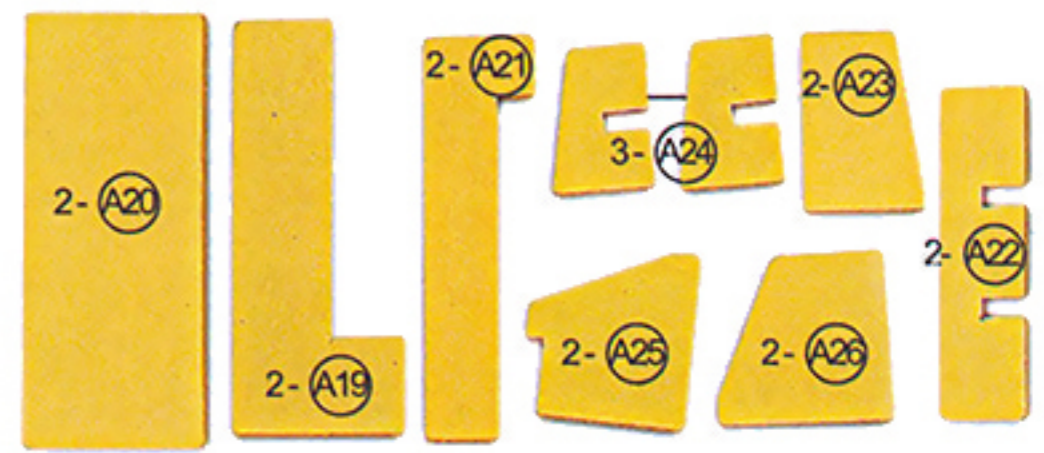

Fix A6 as shown.

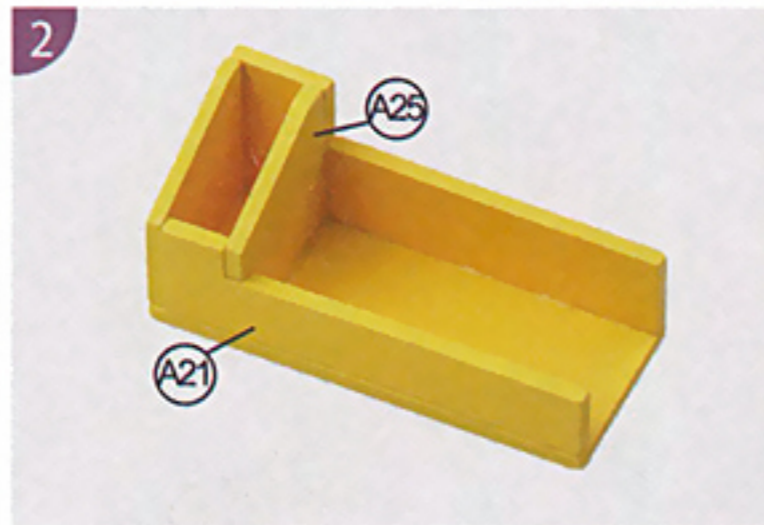

Small box

List

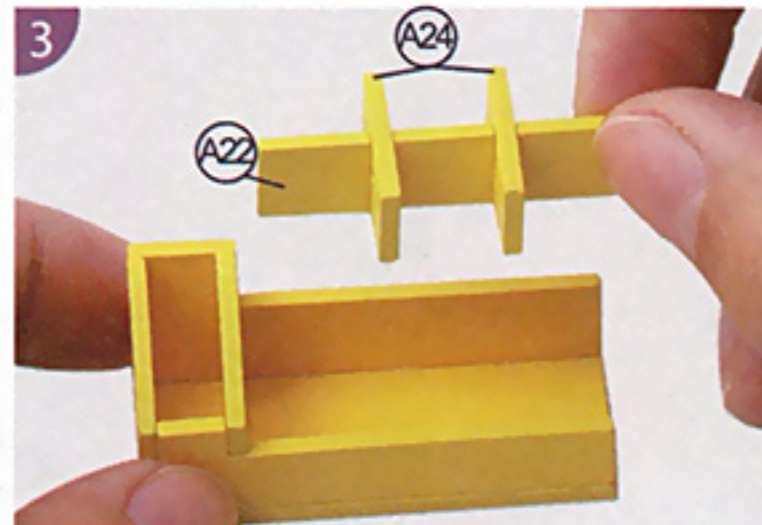

- ① Wooden pieces 9 pcs

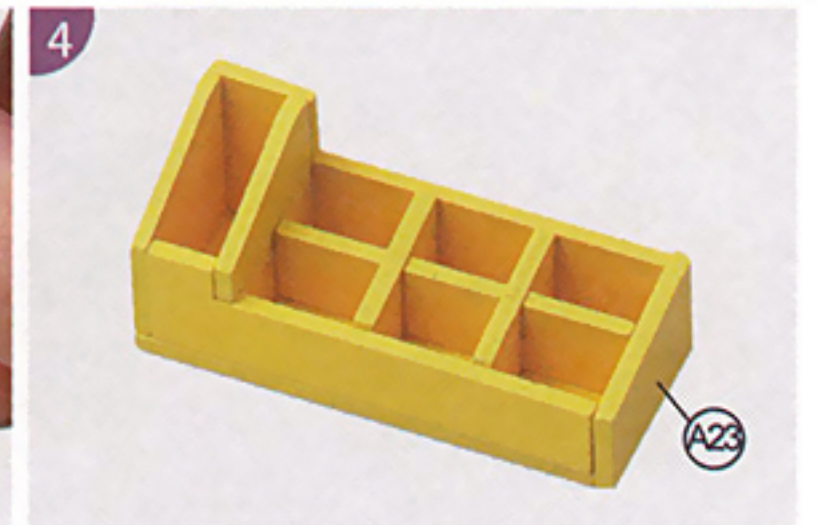

Paste as shown.

Paste as shown.

Paste as shown.

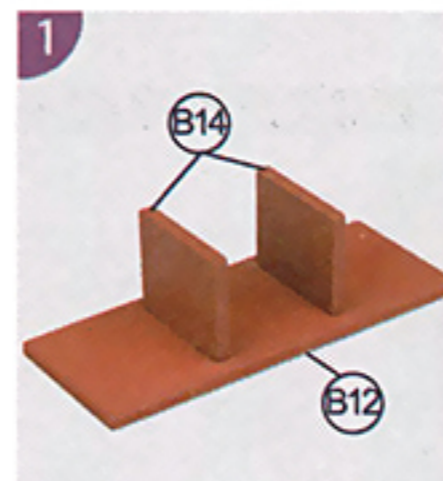

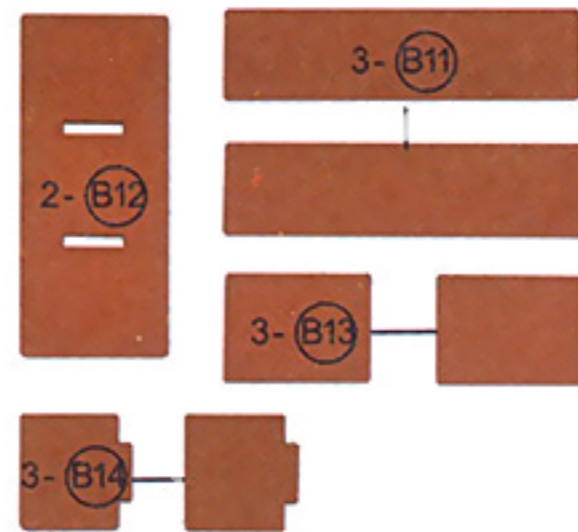

Complete.

Small Cabinet

List

- ① Wooden pieces 7 pcs

Paste as shown.

Paste as shown.

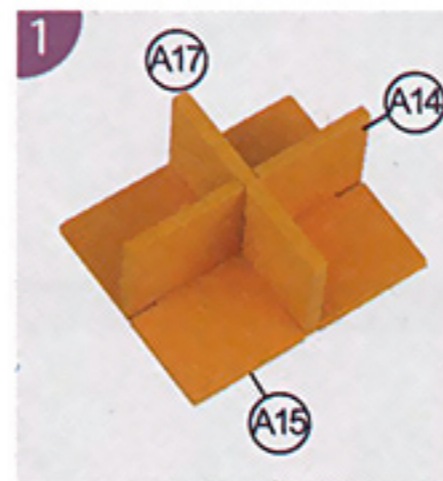

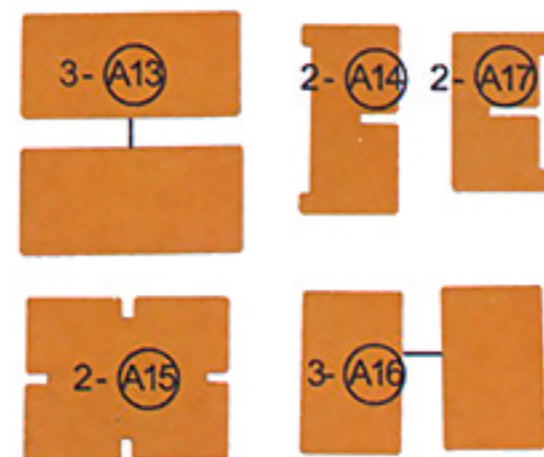

Complete.

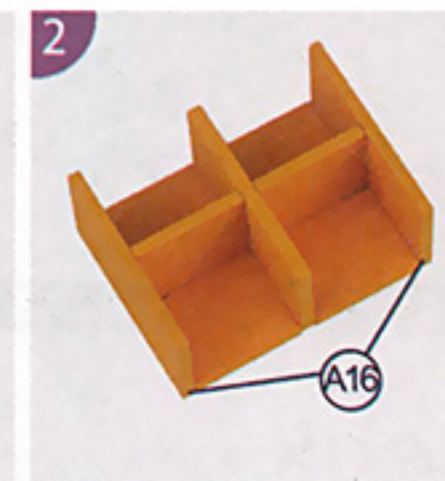

Small square ark

List

- ① Wooden pieces 7 pcs

Paste as shown.

Paste as shown.

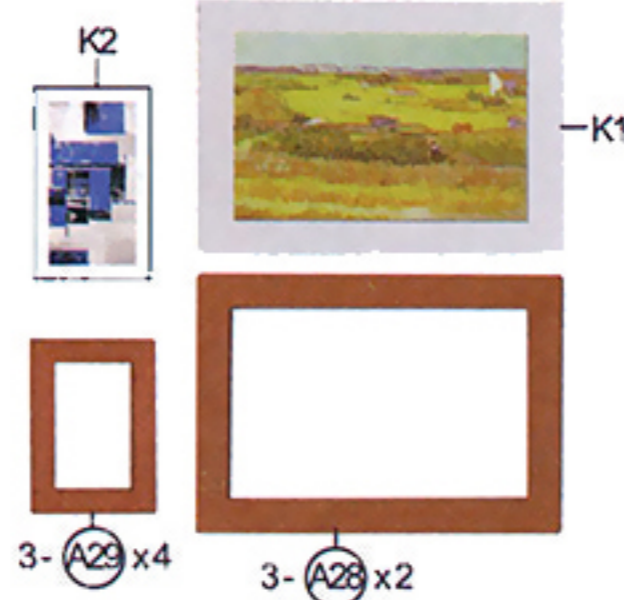

Complete.

Painting 1

List

- ① Paper K1*2, K2*4
- ② Wooden pieces 6 pcs

Paste K1 and A28.

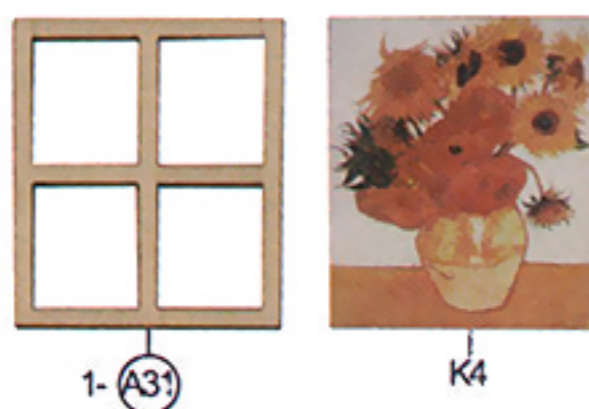

Six in total.

Painting 2

List

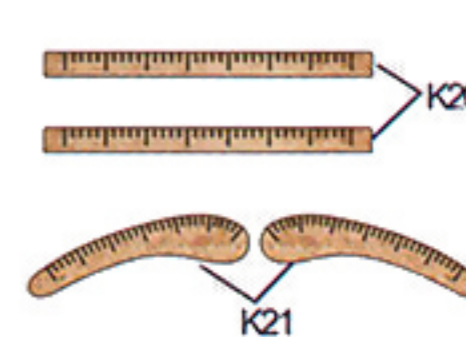

- ① Paper K4
- ② Wooden pieces 1 pc

Paste as shown.

Ruler

List

- ① Paper K20*2, K21*2

Paste as shown.

Book 1

L1

L2

List

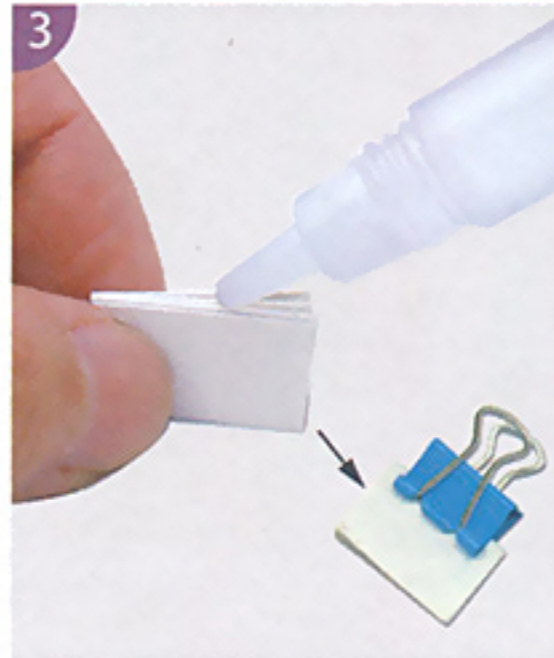

- Paper L1-L4

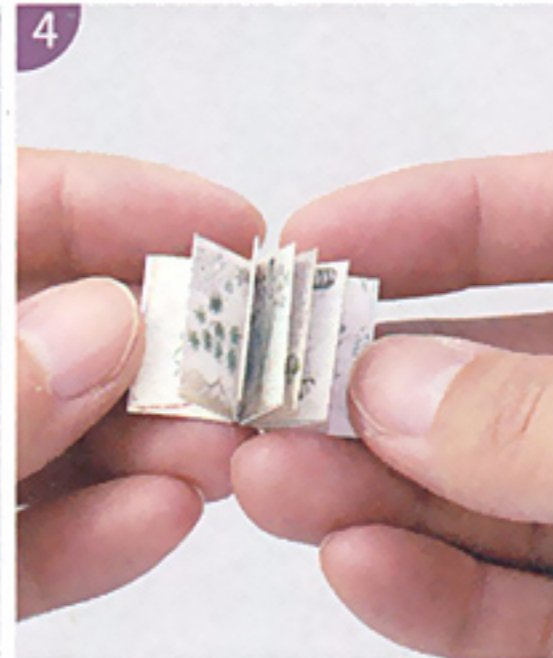

1 Fold as shown.

2 Fold L1 as shown.

3 Glue the white spine and fix with clip.

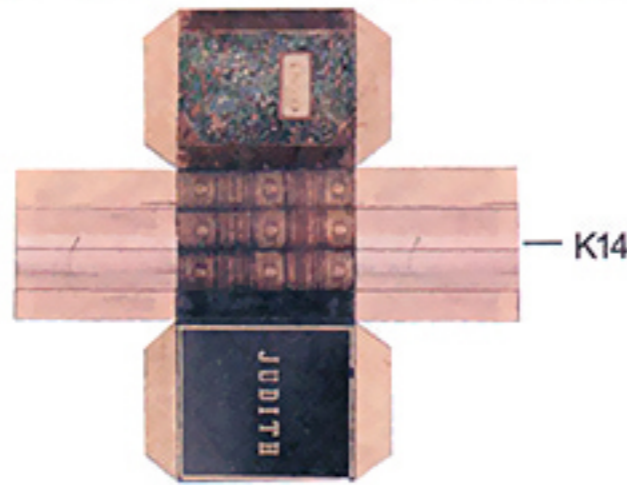

4 Combine book L2 with cover L1.

5 Complete 2 books in the same way.

Book 2

K14

List

- Paper K12, K13, K14

1 Fold as shown.

2 Three books in total.

Book 3

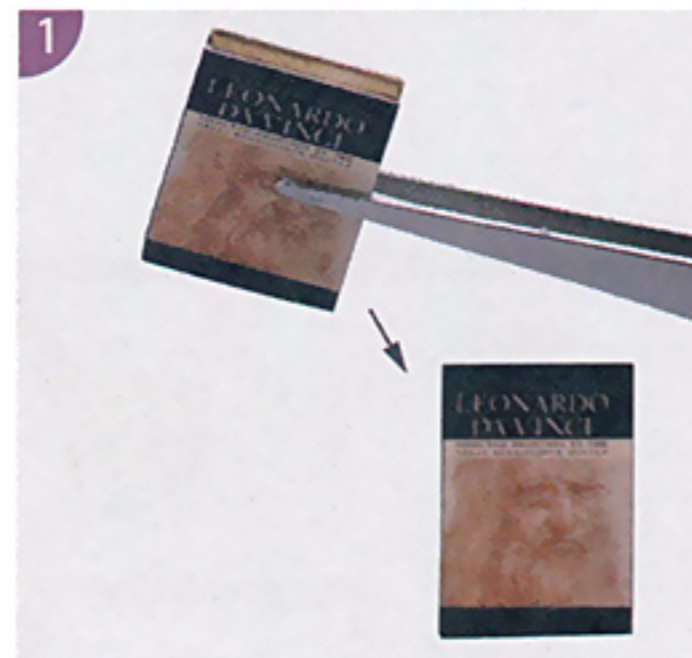

K9

1-A35 x4

List

- Paper K9*4
- Wooden pieces 4pcs

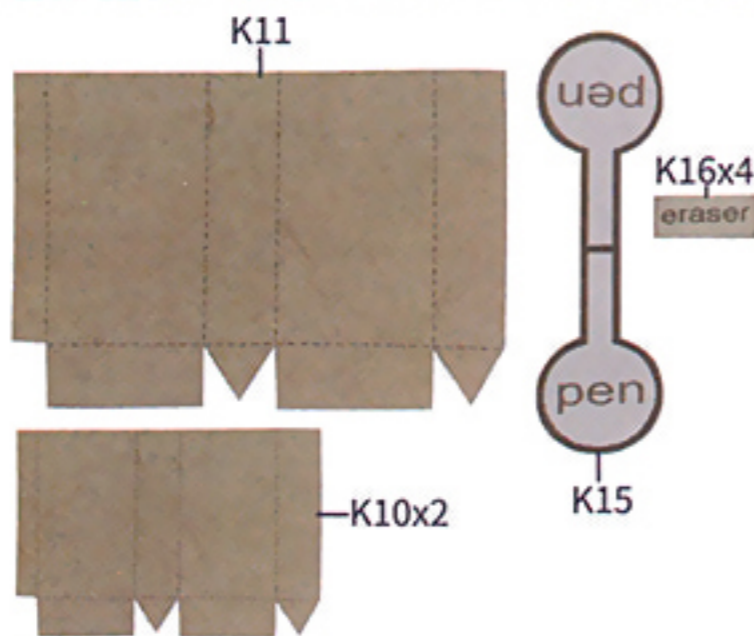

1 Paste as shown.

2 Four books in total.

Paper Bag

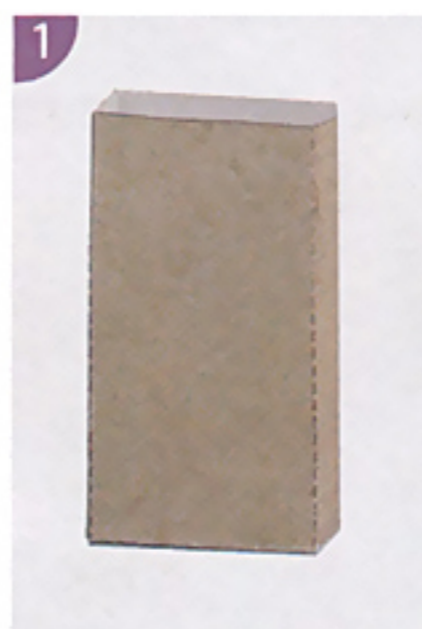

K10x2

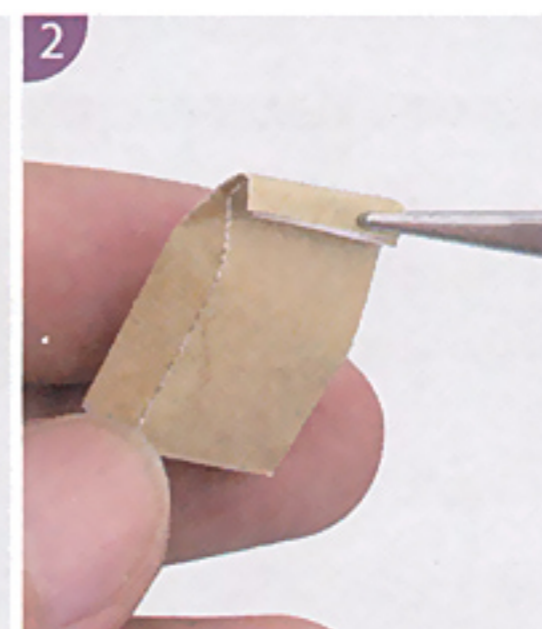

K15

List

- Paper K10*2, K11, K15, K16*4

1 Fold K11 as shown.

2 Bend the opening of K11 as shown.

3 Paste K15 as shown.

4 Make other two paper bags in same way. (Paste K16 as shown)

Pigments

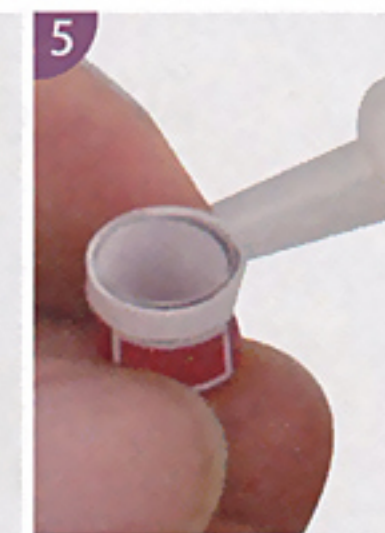

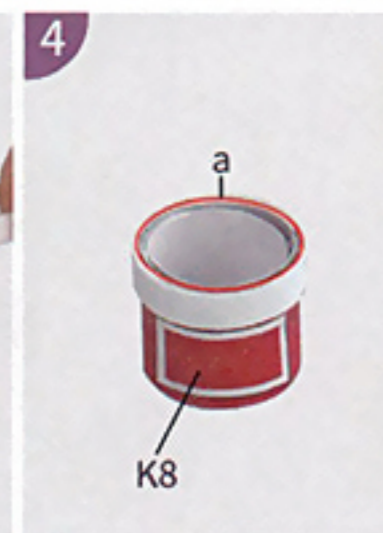

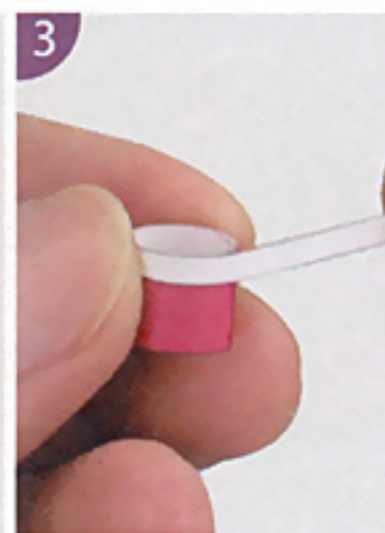

- 1 Paper K6*12
- 2 Paper K5*12
- 3 Paper K8*12
- 4 Paper D2

Twine and paste as shown.

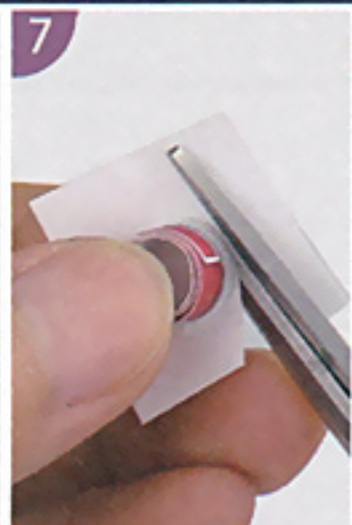

Twine and paste K5 as shown.

Glue as shown.

Paste as shown

Cut extra paper after drying.

Finish the bottom.

12 pigments in total.

Palette

List

- 1 Transparent paper 25*35 mm 1pc(Bag No.4)
- 2 Paper K22

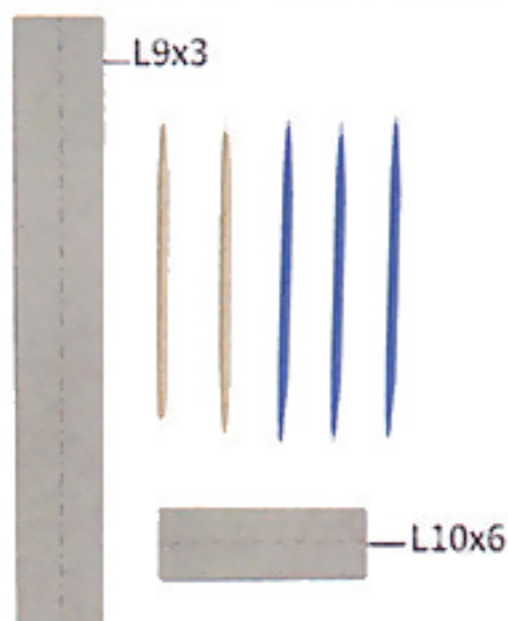

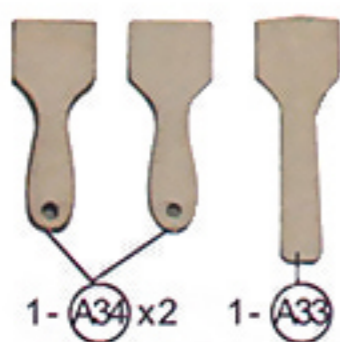

Cut transparent paper according to edge of K22.

Paste and complete.

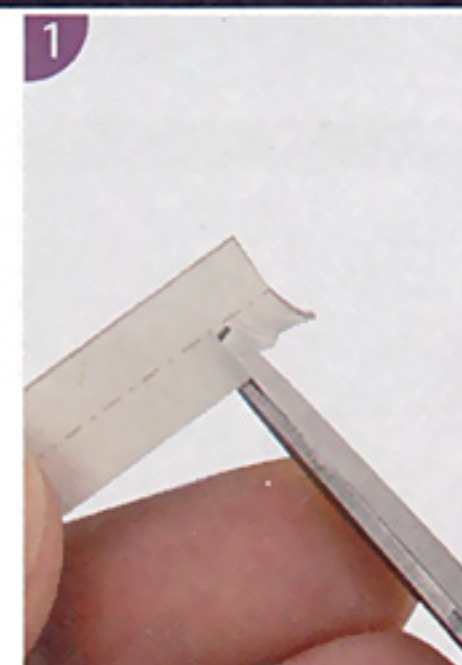

Brush

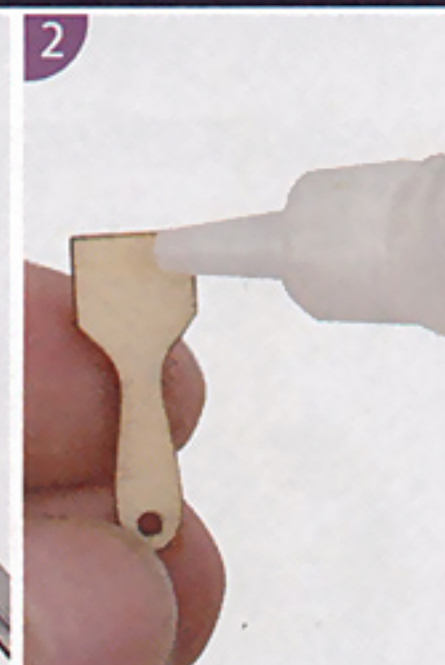

List

- 1 Aluminum sheet 1pc(Bag No.6)
- 2 Wooden pieces 3pcs
- 3 Paper L9*3, L10*6
- 4 Wooden toothpick 2 pcs (Bag No.5)
- 5 Blue toothpick 3 pcs (Bag No.5)

Keep one toothpick in Bag No.5 for the following steps.

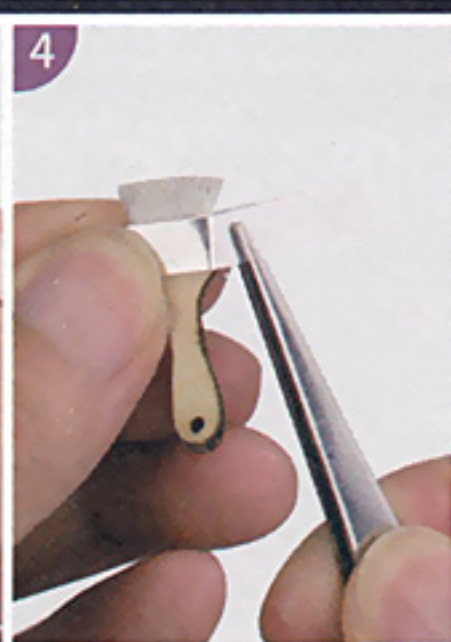

Cut L9 as shown.

Glue as shown.

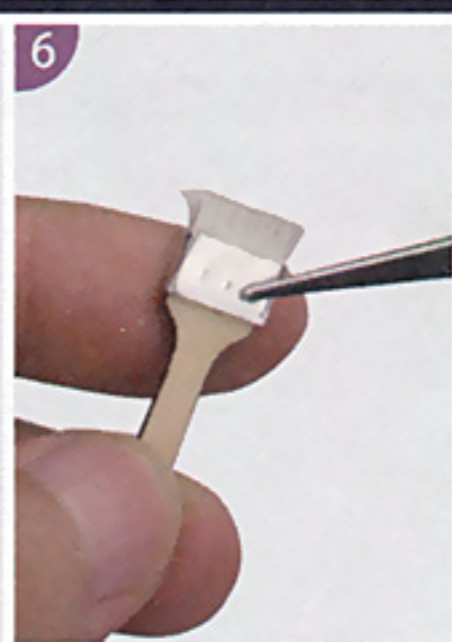

Twine L9 on A34.

Cut aluminum sheet (5*25mm), wrap and paste
