Ergonomic seat, suitable for children from birth

GP Sport is a car seat from birth (group 0+ from 0 to 13 kg) up to 4 years of age approximately (group 1 from 9 to 18 kg).

Including back support, ensuring the correct position from birth up to 5,5 kg.

Optimal reclining angle of the seat, adjustable in 5 positions, grants comfortable and relaxed journeys.

While growing, the specific pads on the backrest, seat and shoulder sides, will protect the child
