

**RECORD VOL1 BT SPEAKER STICKERS 4W**

RECORD Vol.1 Black Bluetooth speaker, 4 Watts mono, with built-in lithium battery

LIMITED EDITION !

This compact and elegant speaker with a vintage look and noble materials will be your new travel companion to listen to your music wherever you go!

With an integrated universal microphone, compatible with all smartphones / tablets / MP3 ..., you can directly take a call from your speaker, and communicate in the speaker with your friends!

Thanks to its discreet buttons, the RECORD Vol.1 speaker allows you to control directly the playback tracks of your playlist, but also to manage the volume, without having to manipulate your smartphone!

This 4W mono model complements the RECORD range, made up of 3 other models available in several colors. Come and discover the other products on our website [www.t-nb.com](http://www.t-nb.com)
