Z2^{Gen 3}

Dual Monitor Arm with USB Hub

The ARCTIC Z2 is designed to help improve your workflow as well as your health. Its space-saving construction frees up desk space. Included cable management reduces clutter, while the 4-port USB hub allows for convenient connectivity. Easily adjustable height plus turn, tilt and swivel functions allow you to effortlessly achieve an ergonomically correct viewing angle in seconds. Enjoy the new display flexibility and long comfortable hours in front of your screen.

Each mount can hold up to 15 kg (33 lbs), including ultrawide monitors up to 35", so whether you need it for work or for play, the Z2 is a great addition to your setup.

Z2^{Gen 3}

Dual Monitor Arm with USB Hub

Reclaim Space on Your Desk

Whether you use it as your workstation or your battle station, the ARCTIC Z2 monitor arm is the tool you need to keep your desk clutter free, allowing you to increase productivity and level up your gaming.

Optimised Ergonomics

If you spend a lot of time in front of the screen, you'll quickly come to appreciate the ergonomic advantages of the Z2, especially the ability to customize your viewing angle. Finding the optimal setting for your screens improves your posture. Whether you want to adjust the height, angle or screen orientation, the Z2 enhances the ergonomic capabilities of your desk and office chair, offering you comfort and adaptability.

Optimal Alignment

The mounting head of the ARCTIC Z2 makes installation and subsequent alignment changes uncomplicated and easy to manage. It doesn't matter if you want to slightly tilt your monitor or turn it 90 degrees – the only tools you need are your hands.

Ultrawide

The ARCTIC Z2 monitor arm supports the latest ultrawide monitors (up to 35 inches) with ease. Classic 16:9 monitors are also compatible (up to 34 inches). The Z2 supports a total load 15 kg/33 lbs.

USB Hub

The stylish 2.0 USB hub brings four ports directly where you need them most - on your desk.

Cable Management

Sick of cable clutter? With the Z2's included cable management, unruly cables are a thing of the past.

Simple and Fast Setup

With just a few simple steps and the included tools, the Z2 is ready to use at your table in no time.
