

Your Stylishly-Crafted Data Storage

UV210 USB Flash Drive

ADATA UV210 USB Flash Drive

Built seamlessly and boasting a metallic finish that covers solid zinc-alloy housing, the UV210 USB Flash drive delivers a stylish statement of simplicity and durability. Thanks to its precision-integrated technology, capless design, and large strap mount, the UV210 offers a combination of professional presentation and ease of use. With an attractive aesthetic and high portability, it's much more than just a USB Flash drive - it's a fashion accessory for your daily life!

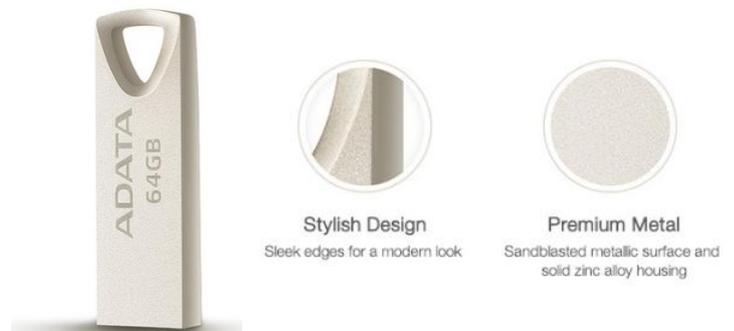

Advanced COB Manufacturing Process

- High durability: resistant to water, dust, and impact
- Highly compact form factor
- Ensures utmost reliability for great data protection

Metallic Quality for a Modern Style

- A sandblasted metallic surface and sleek edges
- Solid zinc-alloy housing
