

« Lion »

Colours: White, yellow, black

1. Apply yellow to the forehead and the bridge of the nose using a sponge. Paint the eyelids and the areas at the sides of the bridge of the nose in white. Apply white foundation to the bottom half of the face using the sponge. Leave out the tops of the cheeks.
2. Paint the eyebrows by making white brushstrokes over the brow arches. Paint white lion hairs onto the chin and cheeks using the paintbrush. Apply black lip outlines using a paintbrush, drawing out the corners of the mouth. Dab black onto the tip of the nose using the sponge. Make short, black vertical brush-strokes at the inside corners of the eyes.
3. Use the paintbrush to paint on fine black brushstrokes for the mane hair. Outline the lips in black. Draw black lines over the eyebrows using a paintbrush.
