Colours: White, yellow, red, black

1. Use a sponge to apply white foundation to the cheeks and red to the forehead and chin. Paint red frown lines on the bridge of the nose, along the brows and onto the forehead, using the paintbrush. Paint more lines on the forehead and outside corner of the eye.
2. Paint the lips back. Use a paintbrush to paint a yellow line next to the red line along the bridge of the nose and finish this line over the eyebrows in a flame shape. Paint yellow flames on the forehead.
3. Draw on a black moustache. Draw vertical black lines on the chin. Paint yellow, red and black flames around the eyes and on the forehead.
