Blue bracelet

Step 1

Lay the bracelet on a flat surface and then using a pipette, fill each square to about half the depth.

Step 2

Whilst the Vitrail is still wet, drop Fantasy Prisme paint onto the Vitrail to create exciting designs, make sure that you stir the Prisme well before using.

Step 3

Allow to dry 3 days prior to using.

Tip :

To add a rounded effect to your jewellery, use the Gédéo glazing resin over the thoroughly dry creation.
